How many things can you count on to be there every day, year in and year out, regardless of circumstance? For the past 100 years, the Boulder County community has created, sustained and depended on EFAA, amidst unique and changing needs spanning ten decades.

As you will see in the pages ahead, the work that EFAA and the community accomplished together in FY2017 empowers families to thrive. Since 1918, EFAA has been strengthening our community by strengthening families.

In 2018, we invite you to step across the threshold with us, from our first century serving Boulder County families in need, into our next 100 years of service to our community.

With your support, EFAA helps people build a better future for themselves and their children by preventing family homelessness and working to end generational poverty.

Thank you for your commitment to EFAA’s mission.
Even with the best laid plans, Susan and her young son found themselves without a home and with nowhere to turn for help. Thankfully, EFAA was there to provide them safe short-term housing. After only a few weeks of stability, Susan had enrolled her son in school, honed her resume and interview skills, and researched scholarship opportunities to finish her education. She soon had full-time work and moved out of EFAA housing and into an apartment. Today, she and her son are thriving.

“That was a scary and vulnerable time... Now, I have accomplished so much and we have our school and neighborhood communities. My son, too, is more confident.”

“With what little we had, we felt very grateful to have a home,” she said. “It was such a relief and it gave us a sense of empowerment. Housing is not just a roof over your head; it is health, financial stability, safety for your children, and a way to pursue your education and have a steady job.”
IN FY2017, WE:

BECAUSE OF YOU, MORE FAMILIES ARE EMPOWERED TO THRIVE.

PROVIDED A SAFETY-NET TO MEET BASIC NEEDS IN OUR COMMUNITY

5,722
Served 5,722 people. This includes 1 in 3 children living in poverty in Boulder County.

$1,199,042
Provided 717,989 pounds of food worth $1,199,042 to feed struggling families.

$666,562
Distributed $666,562 in financial assistance for rent, utilities, transportation and minor medical bills.
Housed 147 families with children who would otherwise be homeless.

89% of families exiting EFAA’s housing found affordable permanent housing.

Launched Keep Families Housed to prevent family homelessness and promote children’s well-being.

90% of children in EFAA’s housing were connected to healthcare support (insurance, medical home).

70% of children aged 5-13 in short-term housing participated in enriching after school activities.

30 families were housed through Bringing School Home, a partner project with Boulder Housing Partners that pairs affordable housing with on-site school readiness support for kids 0-5 years old.

17 parents enrolled in EFAA’s Internships to Careers for Motivated Parents program. Average permanent job salary upon exit was at least double the salary they entered with.

WHAT THE COMMUNITY IS SAYING ABOUT EFAA

“EFAA’s work just makes good sense. We need this forward-thinking organization that can do so many impressive things in our community, like preventing families from becoming homeless, and helping children at a time when they are most vulnerable.”

—Soo Rhee
18-year donor and volunteer.

“We went to EFAA for funds to cover our rent that month, which afforded us some much needed peace of mind. To have a home to return to when our daughter was ready to be discharged from the hospital was such a blessing and we could not have done it without the hard work of EFAA employees and the generosity of your donors.”

—Participant
after facing eviction during the illness of their newborn.

“Donating to EFAA is a leveraged investment because they are nimble and strategic in working with other human service agencies... EFAA sees the potential of the families they serve, and maximizes the positive impact that every invested dollar makes in our community.”

—Morgan McMillan
Pledge 1% Colorado & Community Foundation Serving Boulder County.
We extend special thanks to the many individuals, corporations, congregations, foundations and community groups that supported EFAA this year through generous financial and in-kind assistance from July 1, 2016 through June 30, 2017.

In addition to all that are listed here, we received support from about 3,000 individuals and organizations of less than $500. In order to compile this list, we diligently searched our records for gifts received during this time period to provide correct and heartfelt recognition. If your name is not listed, or if there is an error of some kind, we sincerely apologize. We are truly grateful for your support.

Thank you for your support.
