Emergency Family Assistance Association (EFAA) and Fresca Foods Provide 1,000 Holiday Food Baskets for Families in Need

As housing costs burden family budgets, food insecurity rises, increasing need for safety-net services, like EFAA’s

Nov. 4, 2015, BOULDER, CO -- For 42 years, Emergency Family Assistance Association (EFAA) has coordinated a Holiday Food Basket program to provide families, seniors, and people with disabilities in Boulder and Broomfield Counties with special help during the holiday season.

This year, EFAA will distribute 1,000 baskets of food. Fresca Foods Inc., a Louisville, Colorado-based manufacturer and marketer of “better-for-you and the planet” foods, will help make this program possible. Fresca employees will help coordinate food and fill the baskets at its Louisville facilities on Friday, November 6. This is the ninth year Fresca Foods has partnered with EFAA for its Holiday Food Basket program.

“For most of us, the holiday season is a time to gather with friends and family, often enjoying a wonderful meal together,” explains Liz Rowland, EFAA Food Bank Manager. “EFAA’s Holiday Food Baskets include enough food for a week and the ingredients to prepare favorite seasonal dishes. It’s really wonderful to see the smiling faces when families leave EFAA’s food bank with something special.”

More than 30 Fresca employees will help make these special gifts possible by assembling the 1,000 holiday food baskets at one of its warehouses.

“I’m proud to share that we will support EFAA’s Holiday Food Basket program again this year,” said Todd Dutkin, CEO of Fresca. “Over the last nine years, Fresca volunteers have packaged more than 180 tons of food to support families in need. We are committed to improving the well-being of our community, and are humbled by the opportunity to give back to those in need in such a meaningful way by partnering with EFAA.”

(more)
Last year, EFAA distributed nearly 700,000 pounds of food worth more than one million dollars. As housing prices skyrocket countywide, more families are relying on groceries from EFAA’s food bank to free up budget dollars for rent and other basic needs, like utility bills during the winter months when energy expenses increase.
